# WELCOME

Welcome to our second edition.

You will notice from the front cover we still haven't chosen a name for the magazine. We have had some suggestions, ranging from "Woof" and "The Woofer" (initials of our villages) to things like "Village Hub" and "Village Scene". If you think you can do better, please send in your suggestions to the editor.

We would also like to take this opportunity to thank all of you who sent in feedback about the new magazine. We are very grateful for the support and praise.

One criticism we received is the fact that there were no names only e-mail addresses for you to contact. Inside the front cover we now have put names to job titles and e-mail addresses for your reference.

In this edition we have added some new sections. **Wanted Items** is for those of you who are looking for something, a service, a product or a location. **Can You Help** is where we put requests for information. In this issue we have someone looking for details about owners of the Red Lion from 1930! Plus we have church notices.

The last new section is **What's On In Our Local Pubs guide**. This will be a list of regular (quizzes etc) and one off events our local pubs are putting on. If you are a pub please let us know about your events for inclusion into the next edition.

If you have any items of news you would like to share with the community please send them to us.

We have also revised the Useful Contacts list at the end of the magazine. This is a list of numbers that do not already appear in the magazine. If there are any other numbers we should include please let us know.

If you are a member of any clubs or societies that we have not covered and you think residents of Ockley, Okewood, Walliswood and Forest Green would be interested, please e-mail Iain or myself at **[editor@ockleymagazine.co.uk](mailto:editor@ockleymagazine.co.uk)** with details about the club or society, when and where you meet and some contact information.

Once again, if we have omitted anything or made any other mistakes please e-mail **[editor@ockleymagazine.co.uk](mailto:editor@ockleymagazine.co.uk)**

Our next edition will be published in May, so for inclusion please e-mail before April 10<sup>th</sup> 2019.

*Alan Hardy*

## OKWOOD NURSERY UNDER NEW OWNERSHIP

Since January 2019 the nursery has been under the new ownership of former Ockley resident and kids@sport proprietor Rupert Thorne and his wife Emma.

The nursery caters for 1 to 5 year olds during term times, and accepts government funded and non-funded places. Although our core beliefs are still the same, the nursery has had a makeover inside with much more planned for our extensive outdoor space in the very near future. We are lucky enough to be situated in the beautiful surroundings of Walliswood and we both believe that the children should benefit from being outside in our wonderful environment as much as possible. Together with our committed and original staff members we hope to ensure the nursery goes from strength to strength. If you are considering child care options please call us on 01306 627067 to arrange a viewing, we would be more than happy to welcome you and your child to our setting. To keep up to date with the goings on at nursery, why not visit our facebook page.

# OKWOOD HILL, OCKLEY & FOREST GREEN SUMMER SHOW

The date for this year's Summer Show is August 10<sup>th</sup>. I know it is an early reminder, but you know how fast the months flash past. So, put the date in your diaries!

The Committee is at full tilt, and we have already booked several stallholders and attractions. Nothing like starting early.

As ever we will pray for good weather, and hope we will be as fortunate as we have in the past few years.

I will be reminding you of the date until July!

*Paul Toomey, Chairman*

## THE GARDEN IN EARLY SPRING

As we write this (in early February with snow still on the ground) it's hard to believe that by the time you read it the transformation that is Spring will be underway – slowly at first then gathering pace as full-on April arrives. Hopefully, there will already be Crocus, Muscari, Scilla, Chionodoxa and, a bit later, the lovely Snakeshead Fritillary to cheer us up. The vivid stems of Cornus Midwinter Fire and its sisters will be at their vibrant best, and two fragrant shrubs, Sarcococca and Daphne Odora, will still be performing. As April arrives, the frogs will be croaking as they are a-wooing and one morning a mass of frogspawn will suddenly appear in the pond. And the lawn will need cutting (give it a 'Weed & Feed' after its stressful 2018).

Prepare. The winter planning of the vegetable plot can now be started by preparing the beds by turning over the top soil and work in the well rotted manure and compost where appropriate. Do not fertilise beds that are intended for root crops such as carrots and parsnips but the addition of sand will encourage deeper growth. The addition of lime will help the cabbage bed and also the beans and peas. Give a good covering of mulch to raspberries and blueberries. Early and maincrop potatoes should be chitted ready to plant out in early April. In April prepare bean trenches and supports and also pea supports ready for planting in May.

Prune Wisteria (better late than never); take shrub and English Roses back by a third and remove all dead wood, and give HT roses a much tougher prune. Cornus also needs to be cut back really hard at the end of March to promote the brightest new stems for next Winter.

Plant lily bulbs and other summer bulbs; early potatoes should be planted out in late March and main crop about two to three weeks later; onions, shallots and garlic can also be planted in March and April.

Propagate annuals from seed (make sure half-hardy varieties are protected from frost). Despite what the books say, we find most seeds are best started in pots or trays, even though the packet often says you can sow them directly in soil. (OK, a few don't really like being transplanted....). We've found Cosmos Sensation and Lavatera to be easy and reliable. Or (again, being conscious of frost) buy plug plants and grow them on if you have the facilities.

March is a good time to divide established perennial plants before they are in active growth. Wait for a day when the soil is dry enough to work and dig up the plant with a fork. Then split the plant into smaller parts using a knife or for large clumping plants use a spade. Make sure the new plants are replanted as soon as possible, preferably in the same soil or in pots. Make sure they are well watered until established.

### **Plants of the Season**

Early: Auricula (a velvety, intricate and dramatic Edwardian favourite); Narcissus 'Thalia' (striking ice-white)

Later: Magnolia soulangeana (blousy and beautiful); Hosta variegata, with new spring growth so fresh you want to eat it (no, seriously, DON'T!) Slugs feel the same, so protect! Alchemilla Mollis (water droplets sit on its leaves like pearls).

## OAKWOOD HILL VILLAGE HALL

You are warmly invited to our Social evening and annual general meeting at the hall on Friday 29<sup>th</sup> March at 7.30pm.

Why not come along for a drink and some nibbles to hear about your local village hall?

*Oakwood Hill Village Hall Committee*

# What a fabulous reception - thank you!

Ockley  
Dramatic  
Society  
Est. 1948

Ockley Dramatic Society recently played to six audiences this year's pantomime 'Ali Baba and the forty thieves' with three performances in Capel and another three the week after in Ockley.

This was by far our most ambitious production ever, with thirty actors and twenty six dancers, ranging from four years old to retirement. With a most wonderful back up team who provided magnificent costumes, lighting and sound effects, painted scenery, refreshments, child protection compliance and friendly front of house and ticket sales, this production brought together seventy local committed volunteers and together we had a blast.

Not only did we have fun, our audiences did too, with the final two performances both a complete sell out, something we have not enjoyed for a while. A fast moving script with humour for everyone, it was the perfect antidote for some chilly weather. Although snow avoided Ockley during the Friday performance, conditions were quite different even as locally as three or four miles way and some potential audience members unfortunately did not make it.

We celebrated our 70th anniversary in 2018 with a summer production consisting of two one act comedies with supper served at the mid way point. I'm delighted to say that we now have sufficient members and enthusiasm to resurrect another production this summer.

if you would like to be involved, in any way at all, on or off stage, small or large time commitment, we would welcome you along. Please see our website for more details: [www.ockleydramaticsociety.org.uk](http://www.ockleydramaticsociety.org.uk).

Further details about the event will follow in due course.

## **CAPEL & OCKLEY CHURCH RUNNERS**

James Burt, Dean Bedggood & myself have started an informal running group – The Capel & Ockley Church Runners.

We are doing the Park Run at Denbies on Saturday mornings – recently picked in the top ten Park Runs in the world! If you are not familiar with Park Run you can find out more at: [www.parkrun.org](http://www.parkrun.org) It is free to join, you register online [v quick & easy - go to register & our Home Run is the Mole Valley Park Run], print up your bar code and turn up at Denbies 8:45am on a Saturday for a 9am start and do a stunning 5km run (c 3.1 miles) around the vineyard – there are normally 200-300 people who take part. Anyone can join in, it is completely inclusive all ages, speeds, experience. It is great fun and a good way to start the weekend.

In addition to this we plan to have 3-4 other runs each year – starting from the churches and other places locally. It's a fun way to meet other people in our villages, promote the church and get some exercise!

If you are interested then do get in touch with Tom, who will also add you to the WhatsApp Group.

# WANTED ITEMS

## Wanted Storage Space

I am looking for clean, dry, secure, and accessible storage. Ideally something about the size of a three car garage. Anywhere within say 4 miles of Ockley. Any offers to Barry on 07885 882416.

# CAN YOU HELP?

*This could become a regular feature if people are trying to locate friends and relatives from their past.*

An acquaintance, hearing that I live in Ockley asked:

My great aunt and great uncle were Effie Dane and Percy Dean landlords of the Red Lion pub circa 1930's. They were both actors. My Mum remembers visiting them when she was a young girl. Does anyone know anything of them?

I would be happy to put him in touch with anyone who can help.

# NEWS FROM THE BELFRY

## Called Changes

Once a new ringer is able to handle a bell it is time to start ringing with the rest of the band. Initially they will ring 'rounds' where the bells sound in a descending scale from the treble to the

tenor. It takes practice to get the bell to strike in the right place, so that the gaps between each bell sound evenly spaced.

The treble leads off the tenor on the opposite stroke, handstroke on the sally to follow the backstroke on the tail and vice versa, leaving a one beat pause before each lead handstroke; 1-2-3-4-5-6-1-2-3-4-5-6---1-2-3-4-5-6-1-2-3-4-5-6—and so on.

By altering the handling the rate of swing of each bell can be varied, within limits, so that a pair of bells can change place and thus vary the tune.

For example the conductor may call 3 to 1 so that the order of the bells becomes 1-3-2-4-5-6. Three bells are affected by a call, one rings slower, one quicker and the third stays in the same place but following a different bell. In this case, the 2 has to pull harder to hold the bell up a bit longer, the 3 has to check his pull to bring the bell down quicker and the 4 rings at the same speed but following the 2 instead of the 3.

Further calls are made to continue changing the order of the bells with the aim of eventually bringing them back to rounds. At the end the conductor calls 'Stand' indicating all the bells should set at the next handstroke, so that they all stop together.

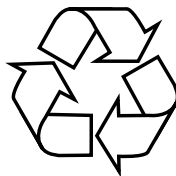

Anyone who would like to come along and have a go, under supervision, or just to watch, would be most welcome. Practice nights are at St. Margaret's in Ockley, on the 1<sup>st</sup> and 3<sup>rd</sup> Wednesday of each month from 7.45 to 9.15, and at St John's in Capel on the 2<sup>nd</sup>, 4<sup>th</sup> and 5<sup>th</sup> weeks.

# ABINGER PARISH COUNCIL – ELECTIONS

It's election year in local government and Abinger Parish Council is keen to encourage potential new candidates to come forward.

There will be nine vacant seats (five in the north ward and four in the south ward) and not all the nine current Councillors will be standing again. If those who are standing, and those new candidates, don't number more than nine then no election will be held and instead they will be co-opted onto the Parish Council.

To stand as a Parish Councillor you must:

- Be at least 18 years old
- Be a British citizen, an eligible Commonwealth citizen or a citizen of any member state of the European Union
- Meet at least one of the following four qualifications: (a) You are, and will continue to be, registered as a local government elector for the parish/community in which you wish to stand from the day of your nomination onwards; (b) You have occupied as owner or tenant any land or other premises in the parish/community area during the whole of the 12 months before the day of your nomination and the day of election; (c) Your main or only place of work during the 12 months prior to the day of your nomination and the day of election has been in the parish/community area; (d) You have lived in the parish/community area or within three miles of it during the whole of the 12 months before the day of your nomination and the day of election.

Those thinking of standing can learn more about what is entailed by reading an article posted on the Abinger Parish Council website by Carla Jones, one of the newest Councillors, who has explained about life at this level of local government. Go to **[www.abinger-pc.gov.uk/community/abinger-parish-council-13002/the-role-of-a-parish-councillor/](http://www.abinger-pc.gov.uk/community/abinger-parish-council-13002/the-role-of-a-parish-councillor/)**

Election day is Thursday 2<sup>nd</sup> May and nominations open on Monday 25<sup>th</sup> March – closing on Wednesday 3<sup>rd</sup> April.

Mole Valley District Council, which administers the election process, is holding a prospective candidates evening on Monday 25<sup>th</sup> February and will provide nomination packs to Parish Councils. Further information for those intending to stand can be found at **[www.electoralcommission.org.uk/i-am-a/candidate-or-agent/parish-and-community-council-elections-in-england-and-wales](http://www.electoralcommission.org.uk/i-am-a/candidate-or-agent/parish-and-community-council-elections-in-england-and-wales)** Or by contacting the Clerk at Abinger Parish Council.

# WHICH FOOD PLANT AM I ?

Wood Ants and Mourning Butterflies have discovered that my family is large. Our genus includes over 400 in number.

It is said that I grow as fast as weeds.

Modern map makers use my family members as markers on occasion for accuracy.

In ancient times, we were mentioned in written works, especially in Israel, China, Japan and Greece.

Importantly, our medicinal use continued to be significant in modern times.

We also produce a modest amount of honey for bees!

In Sweden, we are used to produce energy crops.

We are moisture loving and thrive in cold region habitats. Many, however, associate us with the breeze of the Deep South!

Our size ranges from low ground hugging to towering giants of 90 feet....

This is a give-away clue: Our leaves are lance-shaped.

Our roots are sometimes larger than our above the ground branches.

We can help filter water! Hence we serve many purposes

# PEASLAKE FREE SCHOOL

The wonderful location of our school lends itself to us spending quite a lot of time in the woods, and I'm often asked, "What exactly is Forest School and why do we do it?" As teachers, our primary focus is on children's learning, and it is with this in mind that we venture each week into our designated area in the woods. Research has shown that children learn best through play-based experiences: play is a vital part of child development as it enables children to take risks, solve problems and explore and experience learning in a purposeful and meaningful way. Simple activities such as tree climbing not only develop physical strength, but encourage independent thinking and problem-solving as children navigate their way and take risks on different surfaces as seen in the picture below. Then comes the sense of achievement of doing something a little bit risky and being successful. Learning to use tools safely, to build a fire, cook on it and stay safe are all life skills better learnt outdoors than in the confines of a classroom.

Meanwhile back in school the past few weeks have had a musical theme as we continued with our topic Beat, Band, Boogie – which was incidentally, also taken into the woods as we explored the different sounds and ways to make sounds from natural resources. We finished the half term in a colourful, upbeat and noisy way by learning about festivals and carnivals in Rio de Janeiro.

*Sara Dangerfield*

## **Peaslake Nursery**

We have been thrilled to welcome another new group of children into the Nursery. They have settled very quickly and easily, and have formed lovely friendships in a short time.

Following the children's interest, we have been exploring the Elmer stories by David McKee and the children have loved creating beautiful Elmer pictures, using cut up pieces of colourful material. We also made models of Elmer out of play-dough and decorated them with colourful shapes and sparkles.

It is so rewarding to see the children maturing into such kind, polite young people. Their Cups of Kindness, which we use to reward good behaviour, are constantly full and I am always so proud to hear their "pleases" and "thank yous".

*Vanessa Pollard*

*We are always delighted to welcome any prospective parents who are interested in seeing the children at work in the School or Nursery. Please contact the School office on 01306 730411 or email [info@peaslakefreeschool.com](mailto:info@peaslakefreeschool.com) to make an appointment.*

# LETTER FROM REV. LIZ

Dear friends

I cannot believe we are into March and April already, but here we are and panto land seems a long way away now! Ali Baba and the forty thieves seemed to make our audiences very happy and so we were happy too! It was my first foray into pantomime and I really enjoyed the experience – it was great fun. I think it is very special how the Ockley Dramatic Society encourages people of all ages and abilities to tread the boards and especially the children who are brilliant actors and dancers. As usual with anything like this so much goes on behind the scenes by way of the support and hard work of not only the cast and the director but our prompt (invaluable!) wardrobe and stage production and of course front of house crew, especially in some freezing temperatures. It was really good to be involved in such a team production and basically for me to do something silly at the beginning of the year!

Our two churches of Capel and Ockley have been gathering in momentum as we approach the season of Lent with the regular 9.30 service at St Margaret's offering communion twice a month with Sunday School on the second Sunday and a service of Matins on the other two Sundays. At Capel St John the Baptist, we have Café church on the second Sunday of the month and family communion on the other Sundays. Café Church is very informal where we have our refreshments whilst having some informal worship, led by Bob and the music group. At both our churches we are seeking always to find new ways of encouraging people to find out more about faith and with that in mind I am pleased to say we have a new Alpha course running in Newdigate shortly. Many of us have questions about life and whether there is any truth in the Christian faith or any other faith for that matter. Alpha provides the space to listen to a talk, explore and put your point of view across, all in an atmosphere of convivial hospitality where we will all enjoy a meal together each week. The course doesn't begin till April so there's plenty of time to think about participating. I will be there in any case and of course in the meantime you are always welcome to chat with me anytime about anything! I try to be at the Pavilion Café every Wednesday morning, which is not a chore at all you understand!!

With my love and prayers

*Revd Liz*

## ALPHA

Would you like an opportunity to explore the Christian faith, ask questions and share your point of view?

Alpha is a series of sessions exploring the Christian faith. Each talk looks at a different question around faith and is designed to create conversation.

Alpha is inclusive to all – everyone is welcome!

Alpha courses are run all around the globe, in cafés, churches, colleges, homes – you name it!

The three key things they have in common are food, a talk and good conversation.

There's nothing you can't say (seriously) and it's an opportunity to hear from others and contribute your own thoughts and perspective on life in an honest, friendly and open environment.

If you would like to explore further contact Liz Richardson 01306 711260 or Andrew Coe 01306 631469 for more information.

Course begins at Newdigate on Wednesday evening 17<sup>th</sup> April.

## Ockley Cricket Club

Ockley Cricket Club was founded in 1852 and regular matches have been played on The Green since, although there is evidence that games were played even before that.

The Club is somewhat smaller than it used to be but still manages to assemble a side for at least one day per weekend during the summer months. In common with several other village cricket clubs we do struggle at times for players, so if there is anyone who fancies playing the game, don't be shy and give it a go!

Most of our games are Surrey Downs League matches.

Contact Loll Figg on 01306 712408.

## Ockley Dramatic Society

We are a friendly group, we don't take ourselves too seriously but we do undertake our productions seriously. Now entering our 71<sup>st</sup> year, we have undergone a revival these past few years, attracting over 20 regular acting members and more than 20 children dancers. We put on a large scale pantomime each New Year and recently re started our summer productions which consist of two one act plays with a supper provided.

We utilise many skills, not just on stage, carpenters, artists, technical, musicians, props, coffee makers, cake makers, wardrobe, publicity, finance to name but a few roles. If interested, please do call our Chairman for a friendly chat. Martin Pratt, Chairman, 01306 628155

## Walking Club

The Walking Group meets every second and fourth Thursday at 10am for walks of about 2 hours duration. If the walks are easy, they are approximately 6 miles; less if there are climbs or difficult stiles to negotiate. We usually start from a pub in the local area, but occasionally go further afield. Anyone is welcome to come along, including dogs if they are kept under control.

Martin Hall and The Abinger D&G Choir Present:

## **DIDO & AENEAS**

By Henry Purcell

**Saturday 27<sup>th</sup> April - 7.30 p.m. - St James' Church**

**Dido & Aeneas** is a dark and tragic opera based on ancient Roman Mythology surrounding Dido, Queen of Carthage, and Aeneas, her Trojan Prince. Purcell modernised the setting for his 17<sup>th</sup> Century audience by introducing Witches and Sailors to the plot. The musical narrative is often a turbulent, rollercoaster ride from evil spells to racy sea shanties, whilst the underlying story is one of power, wickedness and vulnerability. The two lovers fall prey to the merciless manipulation of the gods and their evil spirits. Inevitably, their destiny is doomed from the start; ending in tragedy, destruction and, ultimately, Dido's betrayal and death. The highly celebrated final aria 'Dido's Lament' is despairingly heart wrenching and guarantees not a dry eye is ever left in the house.

Our bespoke treks are one of the most incredible ways that you can fundraise for St Catherine's. You will be fully supported for the entire journey and we guarantee that you'll see the world as you've never seen it before. You'll push yourself out of your comfort zone but know that you're making a huge difference to our patients and their loved ones, so that no one has to face death and loss alone.
