# WELCOME

Welcome to our sixth edition of 2019 and our first year completed.

It has been a busy year so far and things do not appear to be slowing down.

November sees another fantastic Bonfire & Fireworks display (P17), art exhibitions (P15 & P55), multiple events for Remembrance Sunday (P8, P23), art demonstrations (P25), two comedy plays (P28), bingo (P39) and a village cinema (P56).

This edition covers the Christmas period and in our villages there are so many things to see and do at this time of the year. There is a family treasure hunt at the QRMW Woodland (P8), a Christmas Fair at the Inn on the Green (P11), Carols on the Green (P39), a Christmas Concert (P52), lots of events at Leith Hill Place (P54) and of course details of all the church services are on P43.

As this is the season of excess you may feel the need for some exercise! If you look on P14 you will find details of the Walking Group and if you need something a little more strenuous look on P6 for the Ockley & Capel Church Runners.

I would like to take this opportunity to thank everyone who has helped make this first year a success. In the admin team we have Gordon & Susie, our wonderful designer Iain and all the distributors who deliver every edition of the magazine.

This magazine would not be possible if it weren't for the continued support of all our advertisers so our thanks go to you.

From all of us involved in the magazine we wish each and every one of you a Merry Christmas and a Happy New Year!

*Alan Hardy*

**Please note** our deadline for the January & February 2020 edition will be earlier than normal - **December 1<sup>st</sup>**.

# CAPEL & OCKLEY CHURCH RUNNERS

A few of us from Capel & Ockley churches and community have started an informal running group. We meet and join in with the Park Run at Denbies on Saturday mornings at 9am. If you are not familiar with Park Run you can find out more here: [www.parkrun.org](http://www.parkrun.org) It is free to join, you register online [very quick & easy - go to register & our Home Run is the Mole Valley Park Run], print up your bar code and turn up at Denbies 8:45am on a Saturday for a 9am start and do a lovely 5km run (circa 3.1 miles) around the vineyard. Anyone can join in, it is completely inclusive all ages, speeds, experience. It is great fun and a good way to start the weekend.

In addition we are going to meet at St. Margaret's Church on Coles Lane in Ockley on the following Wednesday evenings at 6:30pm over the Summer for a 5-8km / 3-5miles run starting simple and seeing how we go!  
6<sup>th</sup> November, 4<sup>th</sup> December.

We have set up a WhatsApp Group so please contact Tom who will add you to it and will confirm the runs on here as well.

## WHICH PLANT AM I ?

My outer flowers are large .....

It is a rumour that I am related to the Gooseberry!

My leaves are spirally arranged and I can grow to be quite tall

My flowers grow inside a fruit-like covering, which mature.

As a popular plant, I am grown in temperate regions of the world.

I am not really an Invasive plant?

In the U.K., I have been given the Royal Horticultural Society's Award of Merit.

My Latin name is difficult for Latin Scholars to remember and pronounce, but my common name is a treat to remember.

As much as I 'show-off', I can be of help to fields of medicine and to the realm of design.

What intriguing plant am I?

# LOTS GOING ON AT QRMW IN NOVEMBER & DECEMBER

After a tremendously busy summer with our 5<sup>th</sup> Anniversary, a Wedding at the Woodland and our Charity Dinner/Cabaret it was quite pleasant to take a big breath and enjoy doing some maintenance at the woodland during September. We had an enormous amount of help from a local tree surgeon and gardener who lives in Albury, Mr Chris Holmes and Clive who came along to the woodland recently and worked very hard strimming and tidying up the areas that had become overgrown with brambles and weeds during the summer months. It is now looking lovely again.

As we go into Autumn we are thinking about our Remembrance Service which we always hold at the woodland on the 11<sup>th</sup> day of the 11<sup>th</sup> month and this year that will be on a Monday. Everyone is welcome to join us for our service that we will have to remember those who fell whilst serving during the World Wars and in more recent conflicts which took them away from our villages and families never to return. We will gather around the Monument at the Woodland at 10.40a.m. Do come along to QRMW, Pasturewood Road, Holmbury St Mary RH5 6LG, there is plenty of parking.

Plans are also underway for our very popular Christmas at the Woodland event which this year will be on **Saturday 7<sup>th</sup> December** commencing at 11 a.m. Fun for all the family, a treasure hunt for the children who will receive a bag of Christmas goodies, a treasure hunt for the Adults with goody bags of Christmas Spirit! There will be stalls selling Christmas crafts, cakes, a Christmas tombola for the children, a toys stall (new toys) a bottle tombola for the adults and a Grand Christmas Raffle. The highlight of the day is when Father Christmas arrives at the woodland with his helpers and all children can visit him in his grotto to receive a gift.

Tickets are £7.50 per child parents are free of charge to come and just £3 to enter the adults treasure hunt. All children must be accompanied by a parent/guardian. If the weather is kind to us we will have Christmas Carols around the Monument before going home.

Numbers are limited so please contact ***Debbiehornblow@yahoo.co.uk*** to register the children, Father Christmas needs to know how many presents to bring with him! All proceeds go to the Memorial Fund to help those ex-servicemen in times of difficulty.

We look forward to seeing you at these events to finish off what has been another momentous year for The Quick Response Memorial Woodland.

*Paul Cooling, Chairman, QRMW*

## OCKLEY PARISH COUNCIL

Points of note from the meeting held September 2019:

- a meeting of representatives from Mole Valley parishes, district/ county councillor and SCC Highways had met at Ockley in July to discuss speed / volume of traffic travelling through the rural villages. A further meeting to be held in November.
- additional people had been for Speedwatch training and had joined the team. Numbers on the team now meant that more Speedwatch sessions checking speed of traffic travelling through the village were being held. Thanks to all concerned.
- requests for hedge cutting to be done had been sent out to several people. Thanks for the prompt responses.
- Please note - Currently, farmers and landowners are prevented from trimming hedges during six months, between 1 March and 1 September to protect nesting birds.
- the annual donation to go towards the cost of the upkeep of St John's churchyard was approved.

Information regarding school admissions can be found in the village hall, in the cricket pavilion, on the village notice board or online at: ***surreycc.gov.uk/admissions***

If your child was born between 1 September 2015 and 31 August 2016 you will need to apply for a school place between 4 November 2019 and 15 January 2020.

# NEWS FROM THE BELFRY

## Review of 2019

As this is the last article of the year we will look back and consider the main events of 2019. We rang for a few weddings and also a few funerals, on

request, open and half-muffled according to the families' wishes. We have had a regular flow of visiting ringers, some on outings from other areas, others in specific practice groups where ringers of similar standards ring together for advancement. There are a number of these types of practices around now to help novice and more advanced ringers progress. Ockley hosted the Guild Striking Competition, won by the Newdigate band and there were six quarter peals rung during the year, all but one at Capel and three were by local ringers, conducted by Alexander.

We have also gained another couple of keen learners who are rapidly catching up with those from the previous year. There is a clear path of progression when learning to ring, with some overlap: first, bell handling such that you can ring independently without a helper standing nearby, then bell control to keep the bell striking in the right place. By the time these skills are mastered the learner should be ringing in rounds and be able to follow simple call changes, and soon after ringing well enough to ring for church services.

It is at this point that ringing becomes more varied as Plain Hunting is introduced as a precursor to ringing methods. In Plain Hunting the working bells all take turns to move from the front to the back; that is from first place to fifth, in a prearranged order. A lot of methods are based around the treble doing this while the other working bells do a variation and so the learner's first experience of ringing methods is to Plain Hunt on the treble. Beyond this stage there are innumerable methods which follow set patterns, with variations called touches and it is up to the individual how far they want to progress.

If you would like to come and watch or have a go you are welcome to join us on a practice night. We meet every Wednesday, 7.45 pm to 9.15 pm, alternating between Ockley; first and third week of each month and Capel; second, fourth and fifth.

Christmas comes earlier every year and it seems too soon to say, but, best wishes to everyone for the festive period. Please note there will not be a practice on Christmas or New Year's Day though there will be ringing for the Christmas Services and for New Year's Eve.

# TWO COUNTIES ART & CRAFTS SOCIETY

## **Demonstration in Mixed Media by Debbie Hinks on Monday 7<sup>th</sup> October 2019**

We were pleased to welcome Debbie back - this time demonstrating a portrait using pastels and watercolour. Debbie has had a very full career in illustrating and has worked with many publishing houses and on most of the big magazines. Later she took up teaching and now runs her own classes in life drawing and painting in Brighton and surrounding areas. She had brought with her some beautiful portraits showing the lovely effects of pastel painting on skin, in colour and monochrome.

Debbie started with a large sheet of black sugar paper and, using white pastel pencil she marked in the outlines of the face of an Afghan wearing a turban. However, for texture, she often uses a Fabriano Tiziano paper which is ideal for pastel work as it has a bit of a tooth. The nose and eyes were marked out with a white pastel pencil (Koh-i-Noor Gioconda 12) and a black pastel pencil was used to build up the dark areas of the eyes and outlines around the face and turban. Using the white pastel pencil she picked out the whites of the eyes and a small white dot for the reflection on the pupil. At the top of the paper in a corner she made a circle of black pastel which she picked up on her little finger and smudged onto the shadowy area of the face, thus softening the effect. She used various shades of black and grey pastel (Toison d'Or 12 soft pastels) to build up the modelling of the face and with a plastic rubber picked out the highlights. Soon a very striking and dramatic head emerged with piercing eyes.

After the break Debbie gave us a quick summary of the rules for drawing the head and face. Starting with an oval, she drew a vertical line to divide the face, then half-way down she drew a horizontal line to fix the position of the eyes, then another horizontal line to halve the distance between the eyes and chin and this marked the position of the end of the nose. The nostrils are always slightly higher than the fleshy end of the nose. The next half positions the mouth. The top of the ear is on the same line as the eye and the bottom of the ear in line with the end of the nose. The distance between the eyes is one eye's width. However there are always variations from the norm and it is important to measure and look carefully at the subject. Drawing from life is therefore a very valuable exercise.

For her second portrait, using the same subject, Debbie launched into colour using Schminke watercolours on a watercolour paper. She started with a loose wash of a mixture of raw umber and burnt sienna for the face then, using a square flat brush, she marked out the face and lines of the turban framing the face, then a mixture of red with a bit of purple for the turban. Debbie put on all the colours freely with no prior drawing. She marked the beard and parts of the moustache with strokes of Paynes Grey. Burnt sienna was used for painting the features. Then, using a smaller flat brush and burnt umber, she put in the darker tones around the eyes. and an opaque white paint for the whites of the eyes. A smaller round brush was used for painting in the

details. The painting was then dried with a hair dryer before the next stage using pastel. This was a white pastel which was then painted with vertical strokes over the moustache and beard.

The final picture was every bit as dramatic as the first black and white drawing but the colour softened it a little and the Afghan gentleman appeared rather more friendly with a twinkle in his eye!

Debbie was sincerely thanked for a very fascinating evening and, no doubt, many more of us will be tempted to get out our pastels.

*Rina Stansfield*

# GATWICK'S BIG ENOUGH

Gatwick Area Conservation Campaign(GACC) announce a major campaign to challenge Gatwick's Master Plan.

Under the banner *Gatwick's Big Enough* community groups around Gatwick have joined forces with GACC to call Gatwick to account over their Master Plan proposals.

The Master Plan proposes to create an airport that is as big as Heathrow is today. An increase in aircraft movements in the next ten years to 390,000 pa (1050 or more per day), passenger numbers to 70.0 mill pa (190,000 or more per day) all of which will bring increased misery to thousands through noise, pollution and impacts on local infrastructure. These plans also bring a massive increase in carbon emissions caused by the additional flights estimated at an increase of almost 1MtCO<sub>2</sub>(circa 37% increase) per annum by 2050.

The campaign has got off to an early start with challenges to Gatwick's attempts to bypass full scrutiny on its main runway growth plans through use of the Planning Permitted Development processes.

The initial submission to the Planning Inspectorate for Gatwick's Stage Two, the expansion and active use of the emergency/northern runway, has been made and our teams are now in the process of preparing challenges to these proposals.

Chairman, Peter Barclay, commented " Whilst this growth plan may be within the airport's own boundaries the negative impact on communities extends many miles from Gatwick's borders. In a society where there is increasing awareness of the downside of aviation activities our members want us to ensure these developments are properly contained."

# Bonfire Support Needed

**The Ockley Bonfire and Fireworks night has existed for over thirty years.**

However, although gate prices have only increased from £4 to £6 over the thirty years, all other prices have grown much faster, especially the cost of the fireworks themselves, which are much more susceptible to currency changes, as they all come from the Far East.

The Ockley Society needs support to keep the event going. We have been fortunate for the past few years to have had four local sponsors each year, who have each donated £250 in exchange for some publicity.

**Could you support us too, to help to keep our event going?**

**Our previous sponsors, to whom we are very grateful were:**

**Ockley Mini Market  
The Inn On The Green  
Woodcote Carriage & The Electro Car Company  
Beauty and the Rest by Jess  
Norbury Blue  
The Surrey Hills Florist  
Claire's Boutique  
Cornwells' Celebration Cakes  
Village Greens**

# LETTER FROM REVD LIZ

As I write we have seen much demonstration about climate change in Westminster and other cities in the UK organised by the group Extinction Rebellion. Many Christians also took part at these protests, one cleric was arrested, but many more were taking part in prayer vigils, singing hymns and telling stories from the parts of the world who had been most damaged by climate change. As part of our recent Harvest celebrations at St Margaret's Ockley and St John the Baptist Chapel we chose a theme which was very much about climate change as well. We learned about an African led project called The Great Green Wall and its aim is to grow an 8,000 km natural wonder which will span the length of the Sahel, from Senegal to Djibouti. This is in order to combat desertification that is currently taking place across Africa. By 2030 the Great Green Wall will be the largest living structure on the planet, 3 times the size of the Great Barrier Reef. This means that the desert will recede and the land can be reclaimed for people and future generations to sustainably farm and support themselves which is fantastic. They say that through a combination of effective land management and growing millions of trees this lost land can be reborn! Also The Great Green Wall will provide a vital resource for the whole world, acting as a carbon sink and cool the earth, reversing the effects of climate change. You can find out more by visiting an information website [www.greatgreenwall.org](http://www.greatgreenwall.org)

Climate change has been a constant concern for many years now and whatever your view on the complex science of it there is no doubt we will be affected by it at some time. Here at both St Margaret's and St John the Baptist we are trying to do our bit towards living and using our environmental resources more wisely. Both churches are now bronze award holders of Eco Church and currently working towards our silver awards. The Diocese of Guildford is an Eco Diocese and our Bishops of Guildford and Dorking have joined forces with other organisations in declaring a climate emergency and have pledged to follow seven climate-care commitments.

Bishop Andrew and Bishop Jo's climate-care commitments are to switch to a clean energy provider, use cars less – committing to car-share, cycle or walk at least once every week; cut down on meat, especially red meat, grow as much fruit and veg as possible, reuse all plastic bags and avoid disposable products, use heating as sparingly as possible and never to use a tumble dryer and give regularly to charitable organisations that strive to safeguard God's creation. Challenging stuff! Bishop Andrew is encouraging us to follow suit. A word of warning though - please only consider cutting down on heating if you are fit and well!!

However, I love that there is something we can still do to reverse the changes that the world in its supposed progress has brought upon our planet. There is something so biblical about the dry arid areas being restored to be able to grow green trees and vegetation, to be able to sustain life and the future. As in this issue of WOOF we begin our winter journey towards the light in the darkness of Advent and the birth of the Christ child at Christmas let us continue to reflect on the pure wonder of creation, give thanks for it and look after it as our Creator God would wish.

With my love and prayers

*Rev'd Liz*

games were played even before that.

The Club is somewhat smaller than it used to be but still manages to assemble a side for at least one day per weekend during the summer months. In common with several other village cricket clubs we do struggle at times for players, so if you fancy playing the game, don't be shy and give it a go!

Most of our games are Surrey Downs League matches.

## Ockley Dramatic Society

We are a friendly group, we don't take ourselves too seriously but we do undertake our productions seriously. Now entering our 71<sup>st</sup> year, we have undergone a revival these past few years, attracting over 20 regular acting members and more than 20 children dancers. We put on a large scale pantomime each New Year and recently re started our summer productions which consist of two one act plays with a supper provided.

We utilise many skills, not just on stage, carpenters, artists, technical, musicians, props, coffee makers, cake makers, wardrobe, publicity, finance to name but a few roles.

If interested, please do call our Chairman for a friendly chat. Martin Pratt, Chairman, 01306 628155

## Walking Group

The Walking Group meets every second and fourth Thursday at 10am for walks of about 2 hours duration. If the walks are easy, they are approximately 6 miles; less if there are climbs or difficult stiles to negotiate. We usually start from a pub in the local area, but occasionally go further afield. Anyone is welcome to come along, including dogs if they are kept under control.

# LEITH HILL PLACE

By the end of November our thoughts turn to Christmas.
